# F&S PRINSENGRACHT

- *Welcome to the **Prinsengracht Hospital**, a 175 year old **monumental building** in the **heart of Amsterdam**.  
Standing in front of the 45-metre wide façade, anyone would be in awe of this former hospital's **grandeur**.*
- *The building served as a **hospital** since 1854, the upper floor served as an OR area. **Since 1994** it was a **branch of Onze Lieve Vrouwe Gasthuis (OLVG)** and gained the **status of outpatient clinic**.*
- ***Respecting the building's old structure**, we completely transformed it into an **elegant co-working space**. **Contrasts** take the centre stage: old vs. new, classic vs. modern. Prepare for an **Italian palazzo vibe**: beautiful arches, marble, rich fabrics & soft hues. **Historical elements** were **carefully preserved**: host your **meeting** in the Boardroom a.k.a. The former OR, enjoy the **breathtaking view** over the canals or enjoy the **peaceful garden**.*

# LOCATION

Located in the **heart of Amsterdam** on one of the **cosiest canal streets**.
